

VICE CHANCELLOR INTERNSHIP SCHEME

UNIVERSITY OF DELHI

PROFESSOR YOGESH SINGH
VICE CHANCELLOR
UNIVERSITY OF DELHI

Message from the Vice-Chancellor

A pioneer institution of India, the University of Delhi is committed to setting up landmarks in teaching and learning for generations to cherish and follow. With immense pleasure and pride, I take this opportunity to share that the University on 1st May 2022 has entered into a glorious centenary year and in order to keep rolling the thread of 'Samagra Shiksha' it is bringing forth the 'Vice Chancellor Internship Scheme'(VCIS). w.e.f. the academic year 2022-2023. The office of Dean Students' Welfare has been entrusted with the responsibility to facilitate VCIS at the University of Delhi. The objective of VCIS is to impart training on soft and hard skills by integrating cognitive knowledge with experiential learning. It is a method to intertwine holistic knowledge with the innovative avenues of earning while learning the nitty gritty of academics and administration. Altogether the Vice Chancellor Internship Scheme is a unique experience in helping students broaden their mental faculties by learning skills and inculcating a sense of responsibility towards the University system.

Young and enterprising students with creative ideas, abilities and skills for resolving problems will be instrumental in bringing systemic and all-inclusive changes to the University system. It is indeed a pleasure to say that all bonafide full time regular students of the University of Delhi studying in any course/stream at the undergraduate and postgraduate levels can be the beneficiary of this scheme.

I wish them good luck and success in all their endeavours.

Warm regards,
YOGESH SINGH

Introduction

An internship is a way to enhance the skill set of students. It is a platform for experiential learning by integrating cognitive knowledge with the practicalities of life. As a proven skill in the contemporary world, internship incorporates self with others and inculcates the elements of self-reliance (Atmanirbhar). In the wake of the recent innovation and changes in the pedagogies of the knowledge world, it becomes pertinent for the students to gain practical learning in a professional space. To facilitate short-term exposure and experience of students with the different Department/Centre/Institutes of the University of Delhi, the Central Placement Cell (CPC), under the office of the Dean of Students' Welfare, the University of Delhi proposes to introduce the Vice Chancellor Internship Scheme (VCIS hereafter), the University of Delhi' at the UG and PG levels. The proposed internship initiative will be unique as, on the one hand, it helps students broaden their mental faculties, augmenting their skills in the comfort zone of their own College/University and on the other, it will be pivotal in enriching potentialities by inculcating research interests and equipping them with coveted work experience.

All expenses and stipend related with VCIS will be drawn from University Student Welfare Fund.

- ☑ It will connect students of the University of Delhi to their local community and give them real-world experiences.
- ☑ It will train students in collecting/streamlining documents and collating available data/resources.
- ☑ It will inculcate professional aptitude, strengthen personal character, and provide a more significant opportunity for students to broaden their mental horizons.
- ☑ It will give students the broadest spectrum of opportunities when seeking and applying for a job after college.
