### ABOUT TECHNOTREON

Technotreon is a technology-driven organization working at the intersection of hardware, electronics, and embedded systems innovation. The company brings together engineering talent and cross-functional teams — from product development to media and operations — to build solutions that bridge ideas and real-world implementation. With a strong focus on hands-on learning and mentorship, Technotreon offers freshers and experienced professionals alike the opportunity to grow through structured training and a clear path to full-time roles.

### ELIGIBILITY

- Graduates (Pass-outs) from any recognized institute
- Freshers and experienced candidates both welcome
- Must be willing to relocate to Pune
- Relevant academic background preferred for technical roles
- Strong communication and a willingness to learn

### JOB PROFILES

- ✓ Digital Marketing Associates (Pune)
- ✓ HR Associate (Pune)
- ✓ Business Outreach & Marketing Associate (Pune)
- ✓ Intellectual Property Associate - Patents & Technology
- ✓ Prototyping Engineer - Defence Systems (Pune)
